

8th CII Electronics Summit 2025

17 November 2025 | India | Gold Sponsor

LTSCCT participated in the **8th CII Electronics Summit 2025** as a **Gold Sponsor**, reinforcing its commitment to strengthening India's electronics and semiconductor ecosystem and advancing the country's position as a global hub for product innovation and development.

The summit brought together industry leaders, policymakers, researchers, and technology experts to discuss strategies for accelerating India's electronics manufacturing and semiconductor capabilities. A key focus of the event was building a robust ecosystem that supports product innovation, intellectual property (IP) creation, and indigenous technology development.

Highlights

Moderated Panel Discussion

Moderator: Sanjay Gupta, India Country Head and Chief Development Officer, LTSCCT

Topic: *From Design to Deployment: Positioning India as a Global Product Development Hub*
