

ETManufacturing Semiconductor Forum

18 March 2026 | Bangalore, India

LTSCCT participated in an **ETManufacturing leadership panel discussion**, reinforcing its commitment to advancing India's semiconductor ambitions and strengthening the nation's technology ecosystem. The event brought together industry leaders, innovators, and policymakers to discuss the opportunities, challenges, and strategic priorities shaping the future of semiconductor manufacturing and innovation in India.

A key highlight of the event was the participation of **Sanjay Gupta, Country Head & Chief Business Officer – India, LTSCCT**, who shared perspectives on India's semiconductor journey and the role of indigenous innovation in building long-term technological competitiveness.

Highlights

Panel Discussion

Speaker: Sanjay Gupta, Country Head & Chief Business Officer – India, LTSCCT

Topic: *India's Semiconductor Ambitions: Accelerating Innovation and Self-Reliance*
