

ET NOW Global Business Summit 2026

13–14 February 2026 | New Delhi

LTSCCT participated in **The Times Group's ET NOW Global Business Summit 2026**, co-powered by **Spark Capital** and **Bennett University**, reinforcing its commitment to advancing India's semiconductor ambitions and contributing to discussions shaping the future of technology, innovation, sustainability, and economic growth. The summit convened global business leaders, policymakers, entrepreneurs, and industry experts to explore the trends and opportunities defining the next decade of transformation.

A key highlight of the event was the participation of **Dr. Sandeep Kumar, Chief Executive, LTSCCT**, in two high-impact discussions alongside industry leaders driving India's next chapter of growth and global competitiveness. Drawing on more than three decades of experience in global semiconductor innovation, Dr. Kumar shared perspectives on technology leadership, deep-tech innovation, and the strategic importance of building strong domestic capabilities to support India's long-term economic and industrial aspirations.
