

IEEE Electronics & Packaging Society (EPS) Conference 2026

2–3 March 2026 | Haryana, India

LTSCCT participated in the **IEEE Electronics & Packaging Society (EPS) Conference 2026**, reinforcing its commitment to advancing semiconductor innovation, power electronics, and sustainable energy technologies. The conference brought together leaders from industry, academia, and research institutions to discuss emerging developments in semiconductor devices, advanced packaging, manufacturing technologies, and next-generation power systems.

A key highlight of the event was the keynote address delivered by **Sanjay Gupta, Country Head & Chief Business Officer – India, LTSCCT**, who shared insights on the critical role of power electronics and semiconductor technologies in enabling India's renewable energy ambitions.

Highlights

Keynote Address

Speaker: Sanjay Gupta, Country Head & Chief Business Officer – India, LTSCCT

Topic: *Power Electronics & Power Semiconductors Enabling 500 GW of Renewable Energy Revolution in India*
